## EXPRESS CARGO SERVICE (LESS THAN LORRY LOAD)

Batco Roadways offers transportation service to stations in south and central India by collecting cargo at diverse booking points close to customers, consolidating and routing the same to transhipment hubs wherever necessary and thereon carting the same to final destination in optimum time.

Professional cargo management team at Batco Roadways thoroughly understands the client's prime business need for safe and timely cargo delivery. The operations are geared to provide these services such as; Intercity Cargo Movement, Intracity Cargo Movement, International Cargo carting to and from Airports

## COLD PHARMA ZONE

GDP & ISO 9001:2015 certified Cold Pharma zone at BATCO-CFS is Built to hold a capacity of 175 tons at any point in time.

It provides temperature controlled handling and storage solutions to diverse pharmaceutical products.

Separate Storage chambers build up ULD's under temperature control of +2C to +8C and +15C to +25C degrees

The Facility ensures the quality and effective handling of the pharmaceutical products under standard international compliances and assures that pharmaceutical products are safely handled for effective cold chain management

## NORMAL & BONDED WAREHOUSING

BATCO warehousing service is available at different locations in south and central India. For its regular customers Batco also facilitates partial consignment clearance service at all its delivery stations.

The company has also access to bonded warehouse in Hyderabad at BATCO-CFS. Here imported cargo can be stored and customs duty is differed till cargo is cleared either fully or partially.

# Batco Services

## 3 P L LOGISTICS (SUPPLY CHAIN SUPPORT)

BATCO can allocate diverse resources like warehouses, vehicles, Material Handling equipment and personnel to provide 3PL or TPL services to clients for their product distribution, warehousing, and fulfilment services thus optimize their supply chain efficiency with excellent logistic support both at market and supply end.
